Company Profile

Your Reliable Partner for Stainless Steel Tableware & Hospitality Supplies

MeinaiHoreca is a professional manufacturer and supplier specializing in stainless steel tableware, hotel supplies, and commercial catering equipment for the global hospitality industry.

Our product range includes stainless steel cutlery, hotel and restaurant tableware, buffet equipment, serving products, coffee pots, chafing dishes, baking pans, heating equipment, and other hospitality supplies.

With a modern 20,000 m² production facility and nearly 200 employees, including an experienced R&D team, we combine advanced manufacturing equipment with a systematic quality control process to ensure stable quality and efficient production.

OEM & ODM Solutions

We provide OEM and ODM services for importers, wholesalers, distributors, hotels, restaurants, catering companies, and private-label brands. From product design and material selection to surface finishing, logo customization, packaging, and bulk production, our team can support your project from concept to delivery.

Built for Commercial Use

Our products are designed for the demanding requirements of the hospitality and foodservice industries, with a focus on durability, practical design, consistent quality, and professional presentation.

Whether you are sourcing products for a hotel chain, restaurant group, catering business, distribution network, or private-label brand, MeinaiHoreca provides a dependable manufacturing partner for your long-term supply needs.

From factory production to global delivery, we are committed to providing reliable products, responsive service, and flexible solutions for customers worldwide.

Partner with MeinaiHoreca to build your next tableware and hospitality supply project.
